BEGINNERS SUPPORT CLUB

When you first start learning a language it can be really difficult. If you are a beginner to English, we give you extra support each week at no extra cost. You can come to our Beginners Support Club and a teacher will give you personal attention and answer any of your questions, so that you can improve faster.

STUDY ASSISTANCE

At ABILITY English we take your English improvement very seriously. That is why we have an academic counselling and education planning session every week. The Academic Manager will meet you and help you plan your personal study goals. You, the Academic Manager and your teacher then work together to make sure you stay on track.

HELPING YOU SPEAK ENGLISH

We have a new member of our ABILITY staff – a big Australian Emu bird to help remind you to always speak English at our colleges.

The English Only Emu is in the college every week to encourage you to use English, not your first language, while on campus. If you do this, your English language skills will improve faster.

POSITIVE APPROACH

The English Only Emu is a humorous and positive way to reward you for communicating in English. When the English Only Emu sees you using English out of class they will:

- » Celebrate your dedication to your English training by giving you yummy chocolates
- » Put a photo of you on our 'Wall of Fame'

To help you have a good time in Sydney and Melbourne we organise regular social events with teachers and staff to get everybody together; including parties, sport and movies. We also offer a booking service for weekend trips to local sights.

EVERY WEEK

We have fitness and relaxation activities in the afternoon with a teacher to have some fun together.

EVERY MONTH

We have a student party at a local venue with different themes.

EVERY 3 MONTHS

We have class end-of-term picnics and a social event with the whole school, such as boat cruises, film nights and our famous annual culture day.

"I went to ABILITY to look for staff that could work in a very multicultural team. Lubo Flimel had the perfect skills I was looking for, and I soon made him a manager because of these skills. The company sponsored him and he has just received his permanent residency. I'm proud to have Lubo on my team." **Victoria Cornaga, Head Chef Yalla Foods**
